Supervisor Name(s): Co-supervisor may be required for a cross-department project.			

Rules and Regulations for Student	
<p>1. AM, FM and AS students cannot take any project which requires the use of engineering labs due to the lack of lab safety training.</p> <p>2. Purchase of any computer lab equipments requires head of department's approval.</p> <p>3. I hereby affirm that the originality and authenticity of the Final Year Project to be undertaken will be upheld. The report and/or the system that I submit at the conclusion of the Final Year Project will be the result of my own investigations and efforts.</p> <p>4. I understand that cheating and plagiarism constitute a serious violation of the university regulations, which will not only result in a failing grade for the Final Year Project but subject me to further disciplinary actions.</p> <p>5. I hereby agree to abide by all the rules and regulations set by LKCFES, including all written/verbal instructions from the FYP supervisors/cordinators and endeavour to maintain and promote the good name of UTAR.</p>
