Announcements

- Submit Oral Presentation Slides after presentation. Otherwise, marks are deducted.
- Coursework marks will be released (as Excel files in MS Teams) around Week 14 or Week 15 depending how many FYP reports do the lecturer need to read and mark.
- Scan QR code before presentation. Week 12 barred list will be out on Friday.
- Each group has 22 minutes of presentation (including the time to setup the presentation slide, time wasted in setting up WhatsApp will be included and minor marks are deducted for overtime) and 5 minutes of Q&A. We hope to complete everything by Week 13 Monday so that you have time to start preparing for final in Week 14.
